

Coca-Cola Enterprises Ltd

To Whom it may concern,

I would like to give this reference on behalf of **Coca Cola Enterprises** on the professionalism of the company **Sismatico**

Sismatico won a high profile project in front of numerous **European OEM** companies to remove an existing high speed air conveyor system and install a new high speed air conveyor system at our Wakefield production centre.

I would like to congratulate **Sismatico** on their outstanding performance, the removal of the existing equipment and the installation of the new was excellent, and at all times our business needs were paramount.

The equipment delivered by **Sismatico** is excellent and has exceeded our expectations, reaching line performances of **99.8%**.

Sismatico are an excellent company to work with .They deliver what they promise. They are creative and develop excellent solutions for machines outside of their scope. **Sismatico** are passionate about there business.

Yours sincerely,

Alan Ellis
